

WING CUTTER AFS

foodmate

Poultry Processing Systems

The new Foodmate Wing Cutter AFS (all food service) is designed to meet the latest requirements for major fast food chicken restaurants. The machine is capable of cutting both new

requirements and traditional Silver Dollar style with just a minimum adjustment. The Wing Cutter AFS can be installed into most existing Cut-Up lines and on a new Foodmate Food Service Cut-Up System.

Our mission is to innovate, automate and bring cost-effective solutions to the industry.

Key Benefits:

- Allows for a maximum of 6,000 birds per hour

Foodmate is an equipment manufacturing company based in the Netherlands. Founded in 2006, we focus primarily on poultry processing, and we recently launched Foodmate Brasil, expanding our worldwide distribution into South America. Driven by research, paired with unmatched knowledge and decades of experience, it's our mission to innovate, automate and bring cost-effective solutions to the industry.

Our product line spans a wide assortment of processing equipment designed for live bird handling, killing and de-feathering, eviscerating, chilling, weighing, cut-up systems, deboning and more.

Our team represents decades of industry knowledge and experience resulting in the engineering, development and implementation of new designs for our clients and their ever-changing needs.
